SIGNS PLASTIC

Sabin Group stands as one of the UAE's leading names in plastic manufacturing, trading, and custom fabrication—delivering end-to-end solutions from engineered components to architectural installations. With operations across the UAE, KSA, and Qatar, Sabin brings together three synergistic verticals under one vision: **Sabin Plastic Manufacturing**, **Sabin Sheets Trading**, and **Sabin Signs**

Our strength lies in vertical integration—combining design expertise, precision tool-room development, high-volume injection and blow moulding, and regional trading of premium plastic sheets, rods, and display media. Supported by advanced European technology and state-of-the-art machinery, we deliver solutions that meet the highest standards of quality, scale, and consistency.
